## POPULARITY BID

Starting bid 10 influence chips to move ahead 1 space on the popularity chart "IF you currently have a contract."

bid winner does NOT take this card

Cut out cards along light grey line & cut around one of the starter tokens (left). "Pick one"  
You will need 4 contract cards and 1 popularity bid card  
You will also need the starting player token (left)

This page of 80 chits may be used as "influence chips" as referred to in the rules. Playtesting used bingo chips but print 2 pages of the chits above if you do not have access to small chips.

In most games, a single sheet of these chits is all that you will need.

These chits look great in color but  
this entire game can be printed black & white.
